Join us for an engaging, participatory Highlands Fest special event. This year's focus is our local community, partnerships, and environment - our 'roots'!

Pitch in to create engaging murals to showcase artistic expressions of the Highlands Center "*Taking Root*" within the local human ecology. Enjoy a nature walk to take part in *Healthy Parks Healthy People* initiative. Listen to live roots music or see a children's performance at Payomet. Plant seeds to prepare for Sustainable CAPE's Truro Agricultural Fair harvest contests on Sunday, August 31. Sample light refreshments. All ages and abilities are invited to participate, learn, and support your Climate Friendly Park through public art!

Highlands Fest is an annual celebration of the Highlands Center at Cape Cod National Seashore with its eight partner organizations: Barnstable County's AmeriCorps Cape Cod, Cape Cod National Seashore, Fine Arts Work Center in Provincetown, Highlands Center Inc., Payomet Performing Arts Center, Provincetown Center for Coastal Studies, Sustainable CAPE, and Truro Center for the Arts at Castle Hill. The mission of the partners is to foster the unique and cultural heritage of Cape Cod by engaging in an environment in which scientific research, arts creation, and educational programs can flourish.
